Brand New Book ***** Print on Demand *****.IVF and any type of Assisted Conception is a roller coaster ride. Would you like to know what the needles are like, how your body may react to the drugs or what you will go through emotionally before you start? Then take it from someone who has been there, done that. This is a very personal and honest insight into what really goes on and includes some journal writing throughout particular cycles. It also touches on the taboo subject of miscarriage. You will benefit from some really helpful pre-planning advice which will make your journey easier to cope with and understand. If you ve already started on your journey then reading this will hopefully support and give you the push to carry on even when you think you can no longer continue.
