\*\*\*\*\*. Teach Baby to Talk . and Make Reading Fun, The Importance of Speech and Language in Learning to Read begins by recounting author Sandra Jean Smith's experience as a teacher of illiterate adults, and also examines the possible causes for the ever growing number of children starting school with speech problems unseen in previous generations. Smith's research on this topic, interspersed with her personal stories make for impressive reading. She uses humour and anecdotes to entertain and inform readers. Learn the latest research into these problems and what parents can do to prevent and rectify them. Chapter summaries reinforce her research. The content covers such varied topics as childcare and parenting issues, the problems associated with children learning to speak, and the consequent implications for learning to read. She also discusses the library's role in stimulating and extending children's interest in reading to counteract the influence of computer games and television. Teach Baby to Talk is written in an easy-to-read format with minimal educational jargon. The book is a...

### Reviews

*Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
