Anchor, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service!
Summary: Praise for The Dispensable Nation : "In The Dispensable Nation , Nasr delivers a devastating portrait of a first-term foreign policy that shunned the tough choices of real diplomacy, often descended into pettiness, and was controlled "by a small cabal of relatively inexperienced White House advisers.". The Dispensable Nation constitutes important reading as John Kerry moves into his new job as secretary of state. It nails the drift away from the art of diplomacy -- with its painful give-and-take -- toward a U.S. foreign policy driven by the Pentagon, intelligence agencies and short-term political calculus. It holds the president to account for his zigzags from Kabul to Jerusalem. The Dispensable Nation is a brave book. Its core message is: Diplomacy is tough and carries a price, but the price is higher when it is abandoned." --Roger Cohen , New York Times " The Dispensable Nation is an indispensable book. Taking us into the secretive world of high-level American foreign policy, Vali Nasr shares astounding, previously unrevealed details about the Obama administration's dealings with Afghanistan, Pakistan and Iran. But Nasr doesn't just spill secrets--he also charts a path forward, advancing an insightful prescription for how the United States can regain its lost influence. This provocative story is a must-read for anyone who cares about America's role in the world." --Rajiv Chandrasekaran , author of Little America and Imperial Life in the Emerald City . "An original, powerful, and provocative critique of American foreign policy under President Obama." --George Packer , author of The Assassins' Gate: America in Iraq "Vali Nasr was in the room during key moments of the Obama administration's first two years as it faced some of its most important foreign policy challenges....
