

Stupid California: Idiots in the Golden State (Paperback)

Filesize: 8.69 MB

Reviews

An exceptional ebook along with the typeface utilized was fascinating to read through. I am quite late in start reading this one, but better then never. You are going to like the way the blogger write this publication.

Andrews McMeel Publishing, United States, 2010. Paperback. Book Condition: New. Original.. 173 x 127 mm. Language: English . Brand New Book. Best-selling author Leland Gregory—who has so entertainingly highlighted humanity's stupidity in the areas of crime, business, love, politics, cruelty, and history—is back with *Stupid California*. This time, Gregory builds a case for the common suspicion that Californians, from movie moguls to beach bums, have a special affinity for idiocy. Culled from print, online, and broadcast sources, *Stupid California* is a hilarious collection of true stories, trivia, and factoids about the Golden State, such as: California's state animal is the California grizzly bear, which is also on the state flag. The bear was honoured in 1953, a full 31 years after the last known bear in the state was killed. During the 1980s, in a bold stroke against terrorism, the Chico City Council banned nuclear weapons, enacting a mandatory \$500 fine for anyone detonating a nuclear weapon within city limits.
