Brand New Book ***** Print on Demand *****.When You re Depressed, You Feel Hopeless, You Don t Have Energy, And Just Getting Out of Bed In the Morning Is a Challenge But, it s critical you take care of yourself while you re depressed so you can begin to recover from your depression. How do you do that? When you wake up in the morning, what s the first thought that comes to mind? Are you dreading the day? Can you hardly move because you don t have any energy? Do you feel like the world doesn t understand you? We all go through bouts of depression. It s common now to feel depressed from time to time. Sometimes it happens when we face a challenge or disappointment in life. Other times it happens because of our brain chemistry. One thing is true if you want to get through your depression. You MUST take care of yourself while you re depressed! You must watch yourself, take care of your relationships, and take care of your body. You need to make sure that you don t...
