Do your children seem to be getting out of control, showing no respect for you or others unless they feel like it? Are you lost as to whether spanking is useful, given all of the controversy surrounding it? If you were to spank, what are the things you need to know? In *Raising Civilized Kids!* authors Bob and Elaine Lehman share their experiences about what works and what doesn't in child discipline. With the deep impact of broad legislation, the disciplining of children has been placed more and more into the hands of the government. Parents everywhere are often confused and don't know what to believe. Bob and Elaine cut through the fog and offer clear, common-sense guidance on the most important issue facing the next generation: their upbringing. Readers will learn about the various arguments for or against corporal punishment as well as methods, measures, and guides for implementing it. Whether a reader already has children, works with children, or is just curious, *Raising Civilized Kids!* gives readers a no-nonsense, straightforward approach to parenting and teaching respectful, honest, and well-balanced children. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Perfect Paperback.
