

## Fisher s Techniques of Crime Scene Investigation (Hardback)

By William J. Tilstone, Michael L. Hastrup, Camilla Hald

Taylor Francis Ltd, United Kingdom, 2012. Hardback. Book Condition: New. 1st International edition. 257 x 183 mm. Language: English . Brand New Book. Barry Fisher s Techniques of Crime Scene Investigation has long been considered the bible of the crime-solving profession, drawing from the author s 40-year career in forensic science, including his time spent as the crime laboratory director for the Los Angeles County Sheriff s Department. Now for the first time, commissioned authors working out of the United Kingdom and Denmark present Fisher s Techniques of Crime Scene Investigation First International Edition-the latest edition of a classic volume, now oriented specifically to an international audience. Maintaining the same format as the U.S. editions, the book focuses on international procedures, laws, and cases. The book s three-part structure highlights the importance of approaching the topic from three consecutive perspectives. The first is that crime scene investigation is a subdiscipline of forensic science, and thus the first section, entirely new to this edition, explores the forensic process and the basic principles and practices of crime scene investigation. The second perspective is that crime scene investigation is about identifying and recovering different forms of evidence, each with its own methods for...
