Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Transactions American Fisheries Society The Fifth Annual Meeting of the American Fish Culturists Association convened at No. 10 Warren Street, New York City, February 8th, 1876, at 10 o'clock, A. M. The meeting was called to order by Mr. Robert B. Roosevelt of New York City, President of the Association, who in his introductory remarks spoke of the artificial propagation of Sturgeon. The Secretary of the Society (A. S. Collins), being absent, on motion of Mr. Geo. Shepherd Page, M. C. Edmunds was elected Secretary pro tempore. A letter was read from Mr. B. F. Bowles, Treasurer of the Association, in which he stated that it was impossible for him to meet with the Association, and thereupon George E. Ward was elected Treasurer pro tempore. A paper was received from Seth Green on the propagation of Trout by the Commissioners of Fisheries in New York, and a communication from Dr. E. Sterling of Cleveland, Ohio, on anomalies in the propagation of Whitefish, both of which are herewith appended. Fred. Mather gave the Association a short account of his experience in Shad culture at the South, under the auspices of the General Government, in which he complied with the want of parent fish in the rivers South to propagate from. He thought the fish, if successfully propagated, in the various Shad streams in Virginia, North Carolina, South Carolina and Georgia, would have to be transplanted from the streams in the North. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
