Reiki parlance agrees that a shortfall or imbalance of such power can cause various illnesses and injuries. Body rebalance is achieved through re-synchronization of the natural energy within the body. Body energy is attuned to become the way it is meant to be while in equilibrium. No wonder it is common to see Reiki symbols displayed openly within public places in Japan. Several schools of thoughts have been crafted concerning the working of Reiki symbols. Some think that one must undergo training within the right framework in order to use a Reiki symbol and draw maximum benefits. Apart from training, one must also use the symbol correctly each time for it to work effectively.
