## STATUS OF WOMEN IN RURAL SOCIETIES

2002. Hardcover. Book Condition: New. 230 In India, about three fourth of the population, still live in rural areas. The notion that women in rural societies enjoy relatively higher social status appears to be a myth. Gender discrimination is a social reality irrespective of the nature of societies and no universally applicable rule exist to measure the degree of status of women in various societies. There is an imperative need to delineate the factors determining the social and economic status...
