We have heard several past presidents including the present one, allude to or directly speak of this one world government. The Mayans and the great civilizations of the Middle East have predicted great changes for human society in the next few years. What is this all about? How can it be that so many ancient civilizations of the past have predicted a sudden change not only of our physical world, but also of the catastrophic social and economic upheaval that is coming? Most people on the streets of America firmly believe that big changes are just around the bend of human existence. We can sense this change. Something has got to give. It doesn't take a genius to realize the United States is fast losing its place among the nations. We are being bled dry by a Federal Government that appears to have a hidden agenda. Now this is not to say that everyone in the Federal Government believes in this New World Order nor is plotting the overthrow of America. Nikita Khrushchev said in a speech he made in about 1960 at the United Nations that the communist would conquer us by not firing a single shot, but by our collapsing from within. I heard that speech when I was a boy on our local television station. We have allowed the enemy to dwell among us and now we are truly in danger of our great country being taken away from us. What is unique about America that has made it such a special place for many centuries? This has been the land of hope and opportunity for the poor...
