THE OUTING OF PRESIDENT OBAMA AND THE INCORPORATION OF INEQUALITY AND SOCIOECONOMIC STAGNATION (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The purpose of this book is to examine how and why President Obama is mischaracterized, the ulterior motive, who is behind this campaign, historical relevance, media complicity and role of race in this matter. There is a legacy of slavery, dehumanization, prejudice or rush to judgment based on derogatory racial stereotypes that are used to define African-Americans, people of color and those of non-European ancestry. The birthers who infiltrated the ranks of the Tea Party Republicans hold that the birth certificate produced by the state of Hawaii and the President has been falsified. The Right portrays Obama as Not One of Us in other ways than allegedly being foreign born. In this book and in their impeachment petition, President Obama is a Muslim, a member...
