Crabtree Publishing Co,Canada. Paperback. Book Condition: new. BRAND NEW, The Water Cycle, Bobbie Kalman, Rebecca Sjonger, Ages 6 to 10 years. All life on Earth depends on the water cycle! This is a fascinating book that introduces children to this important cycle using a clear, step-by step approach. Kids will learn about how different processes, including evaporation, condensation, precipitation, and run-off, work together to move water from the ground to the air and then back down again. Full-colour diagrams and beautiful images accompany clear text to help make the water cycle come alive for kids as they learn: How plants contribute to the water cycle through transpiration; How water trapped underground for thousands of years remains part of the water cycle; The importance of water to all living things; Ways in which people can help protect Earth's water and keep it clean.
