Writer s Coffee Shop, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Dawn Sims has made a name for herself writing romantic fiction online. When she s pushed to try her hand at publishing, she thinks she has everything figured out. The only problem? She s never been in a relationship, especially one that has led her to finding The Big O. So much for writing what you know. Warner Green has had Dawn in his sights since she walked into his class in seventh grade. She broke his teenage heart not once, but twice, so seeing her in his night class at the local community college was an unexpected surprise. Accidentally reading her bad erotica on her laptop was a blessing from the Smut Gods themselves. It s clear she has no idea what she s writing about, but Warner does. In fact, he knows so much that he s willing to offer her his services. The deal is simple: teach the good girl from high school everything she needs to know to write from experience. If he gets to live out a fantasy or two that he s been harboring for almost a decade, then there s no harm in that either. The lessons turn more heated, and Dawn begins to question where Warner has learned his skills, but he s not ready to talk, until his past comes back to haunt him at the worst possible time. It shouldn t matter when it s for authentication purposes only.
