THE TRANSCENDENTALISTS (PAPERBACK)

University of Georgia Press, United States, 2007. Paperback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book. Barbara L. Packer's long essay *The Transcendentalists* is widely acknowledged by scholars of nineteenth-century American literary history as the best-written, most comprehensive treatment to date of Transcendentalism. Previously existing only as part of a volume in the magisterial *Cambridge History of American Literature*, it will now be available for the first time in a stand-alone edition. Packer presents Transcendentalism as a living movement, evolving out of such origins as New England Unitarianism and finding early inspiration in European Romanticism. Transcendentalism changed religious beliefs, philosophical ideas, literary styles, and political allegiances. In addition, it was a social movement whose members collaborated on projects and formed close personal ties. Transcendentalism contains vigorous thought and expression throughout, says Packer; only a study of the entire movement can explain its continuing sway over American thought. Through fresh readings of both the essential Transcendentalist texts and the best current scholarship, Packer conveys the movement's genuine expectations that its radical spirituality not only would lead to personal perfection but also would inspire solutions to such national problems as slavery and disfranchisement. Here is Transcendentalism in whole, with Emerson, Thoreau, and Fuller restored to their place alongside such contemporaries as Bronson Alcott, George Ripley, Jones Very, Theodore Parker, James Freeman Clarke, Orestes Brownson, and Frederick Henry Hedge.
