## THE BILLION POUND QUESTION (PAPERBACK)

Austin Macauley Publishers, United Kingdom, 2016. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. The unexpected death of reclusive businessman Tony Latimer in a plane crash after Christmas brings together an unusual mix of strangers from his unorthodox extended family. Their widely varied backgrounds in different countries and occupations, some legitimate, others very definitely not, contribute to the complex plot that emerges as the legalities of the intestate death are unravelled and Tony s heirs move on with their lives and careers. Frank Latimer, Bo Sung and Emily Tang are old school friends who have no idea that their families and fates are so closely connected, along with Thomas Latimer, until the aftermath of Tony s death unites them again. This family saga traces several generations of inter-related families in the UK, China and Hong Kong and examines in detail the logistics of drug smuggling, high finance and international relations. This fast-moving story comes to its conclusion with an exciting finale in a land-locked West African country.
