Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, The Storm (The Rain 2) (Main Market Ed.), Virginia Bergin, I'll tell you a weird thing about apocalypses - a thing I didn't even know until I was in one: they seem pretty bad, don't they? Well, take it from me: they can always get worse. Three months after the killer rain first fell, Ruby is beginning to realize her father might be dead .and that she cannot survive alone. When a chance encounter lands her back in the army camp, Ruby thinks she is safe - at a price. Being forced to live with Darius Spratt is bad enough, but if Ruby wants to stay she must keep her eyes - and her mouth - shut. It's not going to happen. When she realizes what is going on - the army is trying to find a cure by experimenting on human subjects - Ruby flips out .and makes an even more shocking discovery: she's not useless at all. The Storm begins .
