Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Knut Hamsun has become identified in our minds with the lonely figure that recurs again and again in his earlier books, the Wanderer who is for ever outside of organized society and for ever pays the penalty of being different from the crowd and unable to conform to its standards. That this lonely creature is really himself in a certain period of his life we know from the testimony of his own works. Yet this vagabond and iconoclast sprang from the most conservative stock of Norway. He is the descendant of an old peasant family in Gudbrandsdalen, one of the interior mountain valleys in the heart of the country.
