Dover Publications, 2002. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: This sequel to Louisa May Alcott's Little Women , Little Men , and other beloved books continues the heartwarming story of the careers and marriages of the March sisters' children and their schoolmates. In welcoming back former students to Plumfield, a school for boys, Jo and her husband Professor Bhaer learn that Nat, the orphaned street musician, has become a music student in nearby Boston; business-minded Tommy is studying medicine; Dan, a troubled but good-hearted boy, is still restless, having tried sheep ranching in Australia and gold mining in California. Now grown up and widely scattered, the original "little men" still remain "Jo's boys." Dover's complete and unabridged edition of this delightful tale promises to captivate new generations of readers and delight Alcott fans of all ages.
