TOM CLANCY S OP-CENTER: SCORCHED EARTH (PAPERBACK)

St. Martin s Griffin, United States, 2016. Paperback. Book Condition: New. 208 x 140 mm. Language: English . Brand New Book. ISIS reigns supreme in huge swathes of Iraq and Syria and poses a threat to stability in the Middle East. When an American airstrike kills the ISIS leader s only son, he vows revenge. He discovers that a U.S. Navy admiral, now on duty in the Pentagon, led the strike. The ISIS leader has him kidnapped by American home-grown ISIS sympathizers. Their orders: smuggle him out of the United States and bring him to Mosul for execution. When the normal levers of U.S. domestic security can t move quickly enough to locate the hostage, the President calls on the National Crisis Management Center-Op-Center to find the admiral and rescue him. But as the crisis drags on and it appears the admiral is hidden in a cargo shipment, already on a flight out of the country en route to Mosul, his son, a Navy SEAL, embarks on a lone-wolf mission to rescue his father. Op-Center must muster both its domestic strike force, an elite component of the FBI s Critical Incident Response Group Hostage Rescue Team, as well as its international intervention force built around a seasoned squad operating out of the secretive unit that captured Osama bin Laden: the Joint Special Operations Command. As in previous crises, Op-Center s group of twenty- and thirty-something operatives, its Geek Tank, uses data collation programs, anticipatory intelligence algorithms, and outright hacking to stay one step ahead of a ruthless enemy.
