Reviews

This is the very best publication i actually have read until now. It really is packed with knowledge and wisdom I am happy to let you know that this is the very best publication i actually have read in my very own existence and could be he greatest pdf for ever.

(Dr. Nelda Schuppe)

ITINERARY PLANNING AND VENICE: CRUISE DESTINATION

GRIN Verlag Apr 2008, 2008. Taschenbuch. Book Condition: Neu. 210x148x2 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2007 in the subject Tourism, grade: 1,4, University of Plymouth, course: Cruise Operations and Passenger Services, 20 entries in the bibliography, language: English, abstract: When analyzing the cruise industry, one fact is important: a cruise vessel itself is worthless, does not generate any profit, unless it carries paying passengers. But to get customers buying a cruise it is necessary to lure them on board with something special. In most cases this speciality is the itinerary of the planned cruise. For cruise companies it is therefore a most useful tool for differentiation and selling (cf. Dirksen, F., Oltmanns, R., Schmenner, M., Kaulbars, J., Kortlang, N., 2007, p. 1, 2) So obviously the planning of an itinerary is of high importance as are its features. Therefore this report will look at internal and external factors of itinerary planning as well as at one of its main features, the destinations, analyzing the cruise destination Venice, Italy. 24 pp. Englisch.
